

Faroe Island mittens in two colour pattern

Needles: 5 pins at 2,5 mm

Yarn: Snældan 2 threaded 100 % sheepswool

Kast on 48 stiches with colour 1, and knitt 20 rows of 1knitt 1purl

Then increes to 64 stiches evenly on all 4 pins, knitt 2 rows then start knitting the pattern with colour 1 and 2, after knitting 17 rows, knitt 2 stiches then take a differeny colour yarn, and knitt 9 stiches for thumb. Continue knitting 32 more rows, then start decreasing.

Knitting only with color 1, Knitt 2 stiches together then knitt 24 stiches knitt 3 stiches together, do the same on the other side. Knitt like this on every row until 2 stiches are left on each pin, fasten of.

Thum: then knitting in colour 1, pull out the different colour stiches for thumb, and place the 18 stiches on 3 pins, pick up 1 stich on both sides of the 9 stiches, do you now have 20 stiches, and increes 1 stich on the inside of the thumb to 21 stiches, thus you have 7 stiches on each pin. Knitt 23 rows, and start decreasing. Knitt together 2 stiches on each pin on every row until 2 stiches remain on each pin, fasten of.
